Cordillera Ranch is an exclusive, master-planned community offering the finest in club resort-style living on 8,700 acres of Texas Hill Country beauty carved by time and the crystal-clear waters of the Guadalupe River and spring-fed creeks. About 40 minutes north of San Antonio, The Clubs of Cordillera Ranch is a Jack Nicklaus Signature design that winds its way over 500 acres of rugged landscape. The Clubs of Cordillera Ranch opened in May 2007 and has taken a consistent position among the state's top-ranked courses. The routing for the 7,450-yard course embraces the rugged beauty of the Hill Country while carefully sidestepping native grasses and vegetation. The par 3 sixteenth, which requires a skillful shot to a green framed by cascading waterfalls, has been ranked the most beautiful hole in Texas again for 2018. Also, the golf course is ranked number 4 best in Texas by the Dallas Morning News and the Most Beautiful Clubhouse in Texas by Architecture + Design.

Envision “A Day in the Life of a Cordillera Ranch Member;” it would go something like this: Wake up and go to the state-of-the-art fitness center to get in a morning workout; then head across the way for a double’s match on the Tennis Courts. After tennis, relax by the pools, and enjoy lunch poolside before teeing off on the Jack Nicklaus Signature Golf Course. After mastering the golf course, head over to the Equestrian center for a quick trail ride, and then stop off at our clays course and shoot a round or two. The day would not be complete without floating and fishing down the Guadalupe River. And to finish off a perfect day, enjoy an exquisite meal prepared for you by our renowned chef in the stunning 40,000 square foot clubhouse, the “town square” of our community. Come and experience this day like no other. This position will report directly to the Clubhouse and Lodging Manager. Compensation is based on qualifications and track record. Exceptional benefits package applies.
