The UNT CMAA is a student organization that offers a source of education, networking, and professional development to students interested in the club industry.

Any student enrolled in the Hotel/Restaurant or Hospitality Management degree program is eligible to apply. The UNT CMAA works closely with the CMAA to provide the education and training needed in the club industry.

The Eagle Student Chapter holds monthly meetings to provide education from guest speakers and Club Managers to students about various aspects of the industry. As well as discuss opportunities for students to network, plan trips and tours, and present ideas for future events. The chapter also participates in many fundraising activities throughout the year. The students take club tours twice a semester at various country and business clubs from around the Dallas/Fort Worth area. Ice breakers are held at the beginning of each semester as an opportunity for everyone to get to know each other better. It is a fun and relaxing time that everyone enjoys.
